This event is sponsored by the Huntington Akron Foundation.

- Volunteer online registration will begin in August.
- All projects will be located in North Hill.
- Projects will be available for all ages and skillsets.
- All volunteers will receive a t-shirt and free entry/food at the celebration at Lock 3 Park.

The day begins at 9 am with a Sending Service at the Akron Civic Theatre. Volunteers then go to their project sites. Around 3 pm everyone will gather at Lock 3, downtown Akron, for a concert celebration!
